EARTH CONDITIONING SHAMPOO  
PK 100

Our Earth Range of amenities is our “earthiest” range inspired by Mother Nature and everything natural. The Earth fragrance is that of cedarwood, which is both subtle and unisex.

The bottles are 50ml in size.

EARTH SHOWER & BATH GEL  
PK 100

In keeping with the “natural” feel of the Earth range, we’ve used minimal packaging for the amenities. They are simply sealed in a slim frosted sleeve, which can be resealed and reused if needed.

EARTH HAND & BODY LOTION  
PK 100

The Earth soaps are available in both 25g and 40g flowrap options

## SAHARA Marula & Olive

**SAHARA CONDITIONING SHAMPOO**  
PK 100

The Sahara Range of amenities is inspired by the dry, yellow/brown tones of the North African Sahara Desert. Fragranced with marula berries with an olive undertone and topped with a 100% biodegradable cork stopper, this is truly an African and natural range.

**SAHARA SHOWER & BATH GEL**  
PK 100

The Sahara bottles are 50ml in size. The amenities are packaged in brown recycled cardboard boxes, which give the range an authentic and more rustic feel.

**SAHARA HAND & BODY LOTION**  
PK 100

The Sahara Range offers both round glycerine and our rectangle flowrap soaps in the range.

## KARMA Aloe & Sea Minerals

## KAMRA Aloe & Sea Minerals

### KARMA CONDITIONING SHAMPOO PK 100

We love the freshness and calming blue colour of our Karma Range of bathroom amenities. The Karma Range is lightly fragranced with aloe & sea minerals. The fragrance is subtle and unisex.

### KARMA SHOWER & BATH GEL PK 100

The Karma bottles are 50ml in size. The amenities in the Karma Range are available in clean white boxes with Karma blue labels bringing through the blue colour scheme.

### EARTH HAND & BODY LOTION PK 100

The Karma Range offers both flow-rapped and pleatwrapped soaps in 25g and 40g options.

The Karma Range suits a seaside establishment perfectly but can also brighten the mood of any bathroom.
